

SCHEDULING PROCESS FOR THE 2012-13

The scheduling process for the 2012-13 school year kicks off today, Thursday, January 12, 2012! We will begin recording your course requests for next year.

In most cases, you will be called out of your PE class. A roster of course selection appointments for all students will be posted outside of the Gym and Guidance offices. (Grade 9 – started on January 12th & Grade 10 – starts on January 23rd they are the only ones posted so far.)

Before meeting with your counselor, we recommend that you do some research and think about which courses you are interested in taking next year.

Use the Curriculum Bulletin found on the HP homepage bulletin board, and talk to your teachers!

Think about which ELECTIVE courses you are interested in taking next year. In addition to your first choice electives, your counselor will record ALTERNATE choices that may be substituted if the original choices are unavailable.

Please see or email your counselor with any questions.
