February 2012

Dear Eleventh Grade Parents/Guardians:

One **March 6, 7, 8, 2012**, the eleventh grade will be taking the New Jersey State mandated Grade 11 High School Proficiency Assessment (HSPA). New Jersey State Legislature passed a law that requires all students who graduate from a public high school in New Jersey to pass an eleventh grade test in Mathematics and Language Arts Literacy. The law states that this requirement is intended to ensure that all New Jersey students will possess those skills needed to function politically, economically and socially in a democratic society.

Your **eleventh grade student** is expected to report to his/her assigned room on **March 6, 7, 8**, at **7:45 am for Hanover Park High School and 8:10 am for Whippany Park High School**. Due to the length of the tests, we need to begin testing promptly upon arrival. We are asking for your assistance in seeing that your child is in school on time for those school days. We will notify the student of their testing location prior to the date of the test. If your child has a calculator, he/she **must** bring it with him/her on Tuesday, March 6.

**The State Department of Education has mandated that students are not to have cell phones with them during testing. Any student found to have a cell phone in his/her possession while in a testing room will have his/her answer folder voided for that test section.**

For your information, the school testing day schedules are on the back of this letter. If you have any questions concerning this testing program, please contact the guidance department.

Thank you for your anticipated support and cooperation.

Sincerely,

Maria Carrell  
Director of Curriculum, Instruction & Assessment
