February 2012

Dear Hanover Park Ninth, Tenth and Twelfth Grade Parents/Guardians:

On **March 6, 7, 8, 2012** the eleventh grade will be taking the New Jersey State mandated Grade 11 High School Proficiency Assessment (HSPA). The New Jersey State Legislature passed a law that requires all students who graduate from a public high school in New Jersey to pass an eleventh grade test in Mathematics and Language Arts Literacy. The law states that this requirement is intended to ensure that all New Jersey students will possess those skills needed to function politically, economically and socially in a democratic society.

Since this is a mandatory test that has dramatic results on the eleventh grade students, the high school will have a **delayed opening** for ninth, tenth, and twelfth grades on March 6, 7, 8. The delayed opening will help create optimum testing conditions.

**Please note that your child is to report March 6 at 10:25 am, March 7 at 10:35 am, and March 8 at 9:50 am. Ninth, tenth and twelfth grade students are to report directly to the commons. Students are not to report to school before these given times. Transportation will be provided for students on this special delayed opening schedule.**

For your information, the school testing day schedules and transportation pick up times are attached. If you have any questions concerning this testing program, please contact the guidance department.

Thank you for your anticipated support and cooperation.

Sincerely,

Maria Carrell  
Director of Curriculum, Instruction & Assessment
